2. SELECTION PROCEDURE

All Italian, EU, and non-EU resident applicants will be selected through an **IN-PERSON ENTRANCE TEST**, to be held at the computer laboratories of the Department of Studies on Language and Culture, with a possible additional venue to be determined based on the number of participants in the selection. The test focuses on knowledge of a FOREIGN LANGUAGE (chosen from English, French, German or Spanish) as well as advanced writing and reading skills in ITALIAN.

Non-EU applicants not resident in Italy requiring a visa will be admitted to the entrance examination subject to passing the Italian language test, to be held on **15 July 2026**, unless they hold a certificate of Italian language proficiency of at least B2 level.

The merit ranking will be based on the score obtained in the entrance test. Only applicants achieving a **minimum score of 10/100 will be included in the ranking.**

All applicants will be able to take the entrance test IN GROUPS, depending on the availability of the language laboratories. The location of the exam, the actual distribution of applicants among the various classrooms, and the time of arrival for identification procedures will be announced **by 4 September 2026**, via a NOTICE available at the link <https://www.unimore.it/en/university/calls/2026-lce-2edition>. No personal communication will be provided.

3. REQUIREMENTS FOR NON-EU APPLICANTS NOT RESIDING IN THE EU AND APPLYING FOR A VISA

Non-EU applicants not residing in Italy who require a visa and hold a foreign qualification **are eligible to take the ENTRANCE TEST (in face-to-face mode, in Modena) only if:**

- **they pre-register on the University website**
in time to take the entrance test

- **they pass the Italian language test**

The test is only required for applicants who do NOT hold a language certificate of at least level B2 or who are NOT exempt from the test as indicated in the ministerial circular available at www.studiare-in-italia.it/studenti stranieri/

3.1 Pre-enrolment on University

- a) a valid ID (preferably a passport)
- b) passport photo
- c) high school diploma
- d) any certificate of Italian language proficiency (at least B2 level)

3.2 Test assessing the knowledge of the Italian language

Applicants who have pre-registered on University by **9 July 2026**, if they do not have a B2 level certificate in Italian or are not exempt from the test, will be contacted by the Examination Board at the email address they provided on University and invited to take the Italian language test. They will have to take part in a **remote interview** focusing on general knowledge topics.

The Italian language test will be held on **15 July 2026** (Central European Summer Time).

Applicants will receive information by e-mail on the digital platform used for the interview and must have an Internet connection. The result of the test will be communicated to applicants directly by the Board.

Applicants not complying with the additional learning requirements (OFAs) by **30 September 2027** will be enrolled in the academic year 2027-2028 in the first year as “repeating students”, and for the entire year they will only be allowed to take the exams of the first year they have not yet passed.

Placement tests in both languages of the curriculum **are mandatory (except in cases of exemption)**, but they do not affect the admission ranking for this call for applications.

For further information, please consult the OFA FAQs on the website of the Department of Studies on Language and Culture

<https://www.dslc.unimore.it/it/didattica/corsi-di-laurea/lingue-e-culture-europee> in “*Ammissione*” (Admission) and “*Immatricolazione*” (Enrolment).

12.2 How to register for curricular language placement tests

Students enrolled in LCE must register via their **online student record, exclusively within the periods indicated below.**

From the website www.esse3.unimore.it:

- “*Login*” and access your personal page.
- from the menu, choose the “*Examination dates*” item
- scroll through the courses listed in your online student record and register for the exam “*Obblighi formativi aggiuntivi...*” (Additional learning requirements) relating to your language of study.
- repeat the same procedure for the second curricular language.

Placement tests are administered by the University Language Centre (CLA), located at Largo Sant'Eufemia 19, in Modena, and will be held on the dates indicated below:

- **9 October 2026** (online student record booking from 14 September to 7 October 2026) for applicants admitted with the publication of the 1st ranking list and the 1st second-round selection.
- **23 October 2026** (online student record booking from 12 to 21 October 2026) aimed at applicants admitted with the 2nd second-round selection and any applicants unable to attend the test on 9 October.

Applicants who have correctly booked the test may view the test venue. Subsequently, a few days before the test, they will receive an email from the University Language Centre informing them of the time. **Only applicants who have correctly booked a place can take the test.**

The placement test, once taken, cannot be repeated in the next session.

If the courses are not listed in the online student record and you are therefore unable to book, please contact the Registrar's Office immediately or send an email to segrstud.studilinguistici.culturali@unimore.it or webhelp@unimore.it

Applicants enrolled in LCE who do not take the placement test—either because they have not registered, are unable to attend, or are absolute beginners—will be automatically assigned an additional learning requirement (OFA).

12.3 How to be exempted from curricular language placement tests

Applicants who submit a specific EXEMPTION REQUEST and who, upon enrolment, choose the same foreign languages as those listed below as curricular languages in their LCE study programme are exempt from the placement test (and therefore have their OFA fulfilled):

- a) hold a language certificate at level B1 (or higher) of the Common European Framework of Reference for Languages in English or a certificate at level A2 in other languages (French, German, Spanish)

obtained no more than 5 years ago, if recognised as suitable at the end of the **assessment procedure described below**.

or, alternatively,

- b) have completed an integrated training programme during secondary school, culminating in the award of a double degree (e.g. ESABAC Diploma or Bachillerato), choose as their curricular language the language they studied in depth during the integrated training programme (in the case of the ESABAC diploma, French) and **self-certify their qualification as described below**.

or, alternatively,

- c) have already passed, in their previous academic career, the relevant first-year examinations (of at least 9 ECTS credits) in both of their chosen curricular languages, or in only one of the two languages, (*LCE Council resolution of 16 January 2018*) and **comply with the requirements** described in 12. "Course transitions, transfers, withdrawal from studies, request for validation of examinations for previous careers".

In order to be exempted from the placement test in the foreign language indicated in the language certificate, or in which the double degree was obtained, and to have the OFA recognised and fulfilled in the same language, students must submit a REQUEST FOR EXEMPTION **from 14 September to 14 October 2026** for each language.

From the website www.esse3.unimore.it:

- "Login" and access your personal page
- select "Assessments and tests",
- select the radio button next to 'LCE - language ...' "Request exemption from placement test"
- please attach:

a) front and back of the language certificate held

or

(b) the form "*Declaration in lieu of certification*" available at <https://www.unimore.it/it/servizi/segreteria-e-uffici-studenti/modulistica-studenti> in which you must self-certify that you have completed an integrated training course that ended with the award of a double degree (e.g. ESABAC Diploma or Bachillerato), entering the name of the double qualification, the institute where it was awarded, the city and address where the institute is located, the date and grade at which the double degree was awarded.

- close the application by selecting the buttons "Make application final" and "Save data".

Repeat the same procedure for the second curricular language.

A specific application for exemption must be submitted in Esse3 for each language.

Applications are assessed by the relevant lecturers as and when applicants submit their requests for exemption. The assessment results will be updated regularly and made available to students by publication on <https://www.unimore.it/it/ateneo/bandi/2026-lce>

- *Successful* applicants will see their OFAs fulfilled, in the same language, in the online student record which will be updated by the Registrar's Office once the assessment of the applications submitted has been completed.
- *Unsuccessful* applicants must book themselves in the online student record for the placement test. In any case, they must reserve their place by 21 October 2026, as the last placement test will be held on 23 October 2026

Exemption from the placement test in case of previous academic career

Applicants who have taken first-year examinations in each of the two curricular languages who enrol in LCE as a result of:

- TRANSFER, as they are enrolled at another university
- MOVING FROM ANOTHER UniMORE PROGRAMME, as enrolled in another UniMORE programme
- ABBREVIATION OF THE DEGREE PROGRAMME due to Previous Graduation, Withdrawal, Lapse of Student Status, or Attendance of Single Courses

They do NOT need to submit a specific request for exemption from the placement test in order to have their OFA discharged if each course taken **is at least 9 ECTS credits**, but they do have to fulfil the mandatory requirements set out in the following chapters (see section 12. *Changing the degree programme within UniMORE, transfers, withdrawal from studies exam validation for previous university career*).

The Registrar's Office will update the online student record, entering the OFA completed, as soon as the resolution validating the teaching activities undertaken is available.

Those who have only taken examinations in one curricular language (at least 9 ECTS credits) in their previous academic career must register for the placement test in the other language.
